

Arkansas State Board of Public Accountancy

2006 Annual Registration

All inactive status and license to practice licenses expire December 31, 2005. The 2006 Annual Registration renewals have been mailed. The forms were mailed to the latest mailing address on file in the Board office as of November 10, 2005. If you have not received your form, please contact the Board office to obtain the necessary forms. The renewal forms are not available online.

Please be advised that a prior year annual registration form or the Notice of Intent on this website will not be accepted for registering for 2006. Renewals submitted in this manner will be returned. In addition, anything that renders the annual registration form materially incomplete including non payment or incorrect payment received may cause the forms to be returned. If the incorrect or incomplete forms are received and returned to you, you will be considered late if the correct form completed in all material aspects and correct payment is not received on or before January 1, 2006.

Renewals must be received in the Board office on or before January 1, 2006. Renewals received after that date are considered late and should include the applicable late fee. If your registration is late and does not include the late fee, your renewal will be held in a pending status, no license will be issued until the late fee is paid. In addition, if you practice public accountancy as defined in A. C. A. § 17-12-103(a)(12) you will be considered practicing without a license and subject to all applicable fines and penalties. You will have the right to a hearing before the Board in such matters.

Please note that Act 54 of 2005 amended the Statutes and there was a revision to the Board rules during 2005, therefore, it is advised that you view The Arkansas Accountancy Law as amended and Board Rules on this web site.
